

BCMqIS App Installation Instructions

To download the BCMqIS App, go to the following URL on your iPad or iPhone:

www.bcmqis.com/ios

You'll see the following screen:

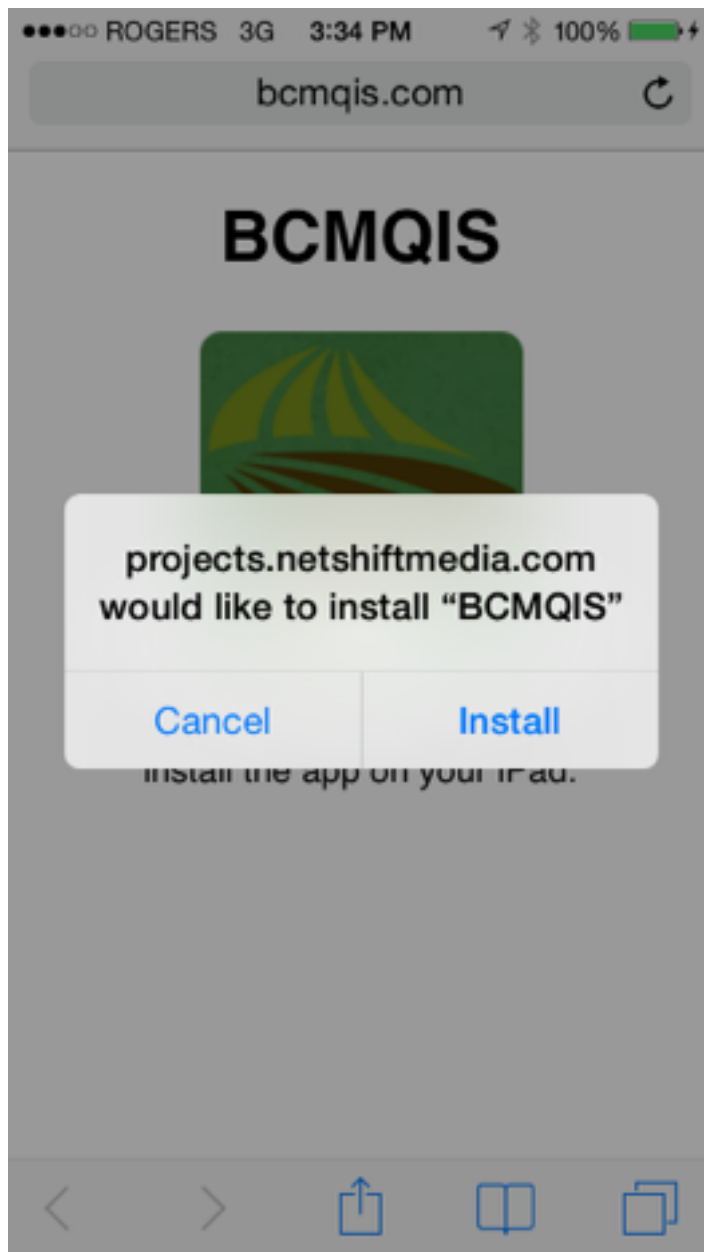

BCMqIS

Click the icon above to
install the app on your iPad.

Just **tap** the icon on the screen and it will ask you if you want to install the app, as seen below:

Click the **install** button to install the app on your iPad or iPhone.

Once the app installs it will appear on the desktop of your iPhone.

For instructions on using the app, please go to the Vimeo link for **BCMQIS App Tutorial**
