Dear Abattoir

As per our discussion on today's date, please sign the bottom of this letter to confirm that you want to become a registered participant in the BC Beef Quality Information System and you will take a one day training session to utilize the system and the carcass quality assessment tool.

As a registered user of this system, you agree to use the IPAD solely for the use of this program in your abattoir facility.

Please sign below to demonstrate your agreement to the use of this IPAD.
Thanks in advance.
